RE: *Winterrowd v. Nelson, et al.*
Case No.: 3:02-cv-00097-JKS
AGO No: 301-03-0020

Dear Mr. Winterrowd:

This follows up our telephone meeting regarding a joint statement of issues. Based on that discussion, it appears that we do not necessarily agree on the statement of issues. From the defense perspective, the issues in this case are 1) whether plaintiff can prove liability for excessive force and 2) plaintiff's damages, if any.

The defendants do not dispute that the parties will be entitled to discovery related to these key issues. I interpret many of your concerns regarding the issues to relate to the type of discovery that would be appropriate. However, if you believe the specific issues to be decided should be stated differently, please prepare your statement and attach this letter to your filing in order to comply with the court's order that we file a "joint statement of issues."

Thank you for your cooperation in this matter.

Sincerely,

TALIS J. COLBERG
ATTORNEY GENERAL
